Yellow Monkey (Gossard 2006) D 37" M 8.5" Dor, Fra, Spd, Bold Bright Yellow Self.	\$10.00

Here we are another daylily season is in the making. We have been blessed with good rain fall this spring and wonderful big buds are forming everywhere.

Last season and this year we purchased more new cultivars for you to enjoy. This year again we have over 800 for you to take a look at and also a few weeds also but just look around them and take a look at the wonderful flowers that we will have this year.

We hope that you will enjoy looking over our price sheet for 2017. As I have noted we have added many new plants for you to come and see and enjoy however, some of the newer plants have only four to five fans. If you wish to purchase any of these new plants do not hesitate to ask us about them. As always our plants are guaranteed to be true to name and have been state inspected. We also guarantee our plants for one year from date of purchase. If you should have any problem with your plant we will be happy to replace it. Looking forward to seeing all of you again this season.
