Here we are another daylily season is in the making. Those few days in the 90's had us out checking things out. As always we are trying to get a jump on things trying to be weed free LOL is quite a job.

Last season we purchased more new cultivars for you to enjoy. This year again we have over 800 for you to take a look at. Plants are looking wonderful with scapes and buds everywhere. Is going to be a good growing year.

We hope that you will enjoy looking over our price sheet for 2015. As I have noted we have added many new plants for you to come and see and enjoy however, some of the newer plants have only

four to five fans. If you wish to purchase any of these new plants do not hesitate to ask us about them. Pl As always our plants are guaranteed to be true to name and have been state inspected. We also guarantee our plants for one year from date of purchase. If you should have any problem with your plant we will be happy to replace it. Looking forward to seeing all of you again this season. My neighbor and I will again be at the Farmers Market in Marysville. Please stop by and see what we have to offer. Vickie has many unusual perennials and tall grasses. Remember, is always best to purchase plants that are home grown in your area. Some of the plants that you might purchase at a greenhouse might be brought in from out of state. With plants grown in your area you are sure to have success with them.

**DIRECTIONS TO DAILEY DAYLILIES:** We are located about 3 miles out of Marysville, Ohio. Take Rt 33 West out of Dublin, Ohio. Take the second Marysville exit off of Rt 33 which is Rt 4.
